

Optional Boat Tour

Hosted by

PORT TAMPA BAY

Following the adjournment
of the Florida Water Forum

November 2
12:30 to 2:00 PM

In addition to the events taking place at the Grand Hyatt, AIF, along with our partners at Port Tampa Bay, will be offering an optional boat tour of the port and its operations.

This complimentary boat tour will be available to all registrants of the Florida Water Forum. The tour will take place on the last day of the Water Forum. Lunch will be provided.

This tour will allow you to experience up-close, the inner workings of Port Tampa Bay and how their cruise/cargo operations have a substantial impact on the supply chain in Florida and the Southeastern United States. Many water-related policies that are being discussed at the Water Forum trickle down to various sectors of Florida business. Many of those businesses rely on Port Tampa Bay for a variety of shipping needs in the region. AIF is honored to call Port Tampa Bay a partner, and we look forward to introducing you to their operations up close!

Boat Launch and Parking Information: The boat tour will begin at 12:30 PM on November 2. Transportation from the Grand Hyatt is not provided.

RSVP by October 26:

Tanner Warwick, Governmental Affairs Assistant
